

# BUY NOW

---

## **USER GUIDE**

*Version 1.0.1*

Welcome to Buy Now Extension for Magento 2 developed by Sparsh.

This extension allows us to have a "Buy Now" button to directly go to the checkout page to speed up the checkout process and increase conversion rate on your Magento store. It will make the checkout process easy and as quick as possible, especially for customers who want to buy a particular product.

**Every below steps helps to set custom shipping options on your site**

## 1. HOW TO CONFIGURE BUY NOW EXTENSION

Go to [Magento 2 Admin] > Stores > Settings > Configuration > Sparsh Extensions > Buy Now

Expand the **General Configuration** and do the following:

In order to enable the Buy Now button, choose **"Show Buy Now Button"** as Yes.

After enabling the extension, you will find the following configuration:

- > **Button Title:** Enter the button title. This title will be displayed on the storefront as label of Buy Now button.

**General Configuration**

Choose "Yes" to enable this extension. On disabling it, Buy Now button won't be shown in the front.
