Custom Shipping Method v1.0.1

Welcome to Custom Shipping Method Extension for Magento 2 developed by Sparsh.

This extension allows the store owner to create their own custom shipping options as well as set custom shipping price for any specific product.

### Every below steps helps to set custom shipping options on your site 1. HOW TO CONFIGURE CUSTOM SHIPPING METHOD

Go to [Magento 2 Admin] > Stores > Settings > Configuration > Sales > Shipping Methods > Sparsh - Custom Shipping Method

Fill out values for below settings to make it work properly.

> **Enabled**: Choose Yes to enable this shipping method.

> **Title**: Enter the title to identify this custom shipping method during checkout. The default method name is "Custom Shipping".

> **Method Name**: Enter a method name to describe this shipping method. The default method name is "Fixed".

**Calculate Handling Fee**: Set Calculate Handling Fee to Fixed / Percent. The default method name is "Percent".

> **Type**: To describe how this shipping method can be used, set type to one of the following:

• **Per Order:** Charges a single fee rate for the entire order.

• **Per Item:** Charges a single fee rate for each item. The fee rate is multiplied by the number of items in the cart, regardless of whether there are multiple quantities of the same/or of different items.

The default method name is "Per Order".

> **Handling Fee**: Enter the handling fee rate according to the method used to calculate the fee.

> **Minimum Order Amount**: Enter the minimum order amount to qualify for this custom shipping method.

#### > Ship To Applicable Countries:

• All Allowed Countries: Customers from all countries specified in your store configuration can use this shipping.

• **Specific Countries**: After choosing this option, the ship to specific countries list appears.

> Ship To Specific Countries: Select each country in the list where this shipping method can be used.

> Show Method If Not Applicable:

- Yes: Always shows this shipping method, even when not applicable.
- No: Shows this shipping method only when applicable.

> **Displayed Error Message:** Type the message to appear if this shipping method becomes unavailable.

> Sort Order: Enter a number to determine the position of this shipping method in the list of shipping methods during checkout. (0 =first, 1 =second, 2 =third, and so on.)

#### 2. HOW TO CONFIGURE SHIPPING RATE SPECIFIC TO A PRODUCT

Go to [Magento 2 Admin] > Catalog > Inventory > Products > Add / Edit Product > Handling Fee

Set product specific handling fee from here. You need to first enable "Sparsh - Custom Shipping Method" method from configurations, set "Type" as "Per Item" and set "Calculate Handling Fee" as Percent or Fixed accordingly to have this in effect.

New [global]	Νο
Sale [global]	No
duct Label Type [global]	Please Select   You can set product specific handling fee from here.
Is Featured [global]	Ves /
