

ORDER COMMENTS

USER GUIDE

Version 1.0.0

Welcome to Order Comments Extension for Magento 2 developed by Sparsh.

We have provided this guide to understand better use of the extension. We have tried to explain the basic functionality required by every Magento store.

This extension allows customers to add a special comments/notes/message while placing the order on the checkout page which can be viewed both in admin backend and customer account.

KEY FEATURES:

- Enable or Disable the extension as per your requirement.
- Customers can add order comment during the checkout process.
- Admin can see the order comments on the order view page in the admin panel.
- Customers can view their order comments in the My Orders section.
- Easy to install and configure.

Every below steps helps to enable order comments on your site

1. HOW TO ENABLE / DISABLE ORDER COMMENTS EXTENSION FROM ADMIN

Go to [Magento 2 Admin] > Stores > Settings > Configuration > Sparsh Extensions > Order Comments

Choose Yes to enable this extension which will allow customers to enter order comments on checkout page.

Clear cache from System > Tools > Cache Management if required.

2. ORDER COMMENTS ON CHECKOUT PAGE

Add products / items to cart and go to checkout page. You can now see the text area option from where customer can enter any specific comments/message/notes related to that order.
