

PRODUCT INQUIRY WITH HIDE PRICE

USER GUIDE

Version 1.0.0

Welcome to Product Inquiry with Hide Price Extension for Magento 2 developed by Sparsh.

We have provided this guide to understand better use of this extension.

This extension allows you to hide price and "Add To Cart" button and facilitates customers to make inquiries about your products by filling a simple popup form.

KEY FEATURES:

- ❖ Enable the inquiry button to all products or separately per product.
- ❖ Hide the price for all products or separately per product.
- ❖ Hide the "add to cart" button for all products or separately per product.
- ❖ Define the custom inquiry button text. E.g., "Click here for Inquiry" or "Ask Question" or "Call for price".
- ❖ Denies your competitors to disclose the price of your products.
- ❖ Persuade customers to contact you for pricing.
- ❖ Both customers & guest users can send the inquiry.
- ❖ Add inquiry form to any product.
- ❖ Use ajax based inquiry form.
- ❖ Notify admin via email.
- ❖ Set own email address and email template for inquiry.
- ❖ Manage inquiry request details from admin.
- ❖ By Default working on category listing page, product detail page, search result page, advance search page, compare products page, related products, side bar, my wishlist page etc...
- ❖ Enable or disable as per convenience.
- ❖ Free Support and Updates.
