

# **SHOP BY BRAND**

## **USER GUIDE**

Version 1.1.0

Shop By Brand v1.1.0

Welcome to Shop By Brand Extension for Magento 2 developed by Sparsh.

This extension allows creating attributes, brand pages, brand logo sliders effectively using blocks, templates, layouts and widgets thereby gain the user trust and credibility.

### Every below steps helps to set custom shipping options on your site 1. HOW TO ADD NEW BRAND

Go to [Magento 2 Admin] > Login > Brands > Manage Brands > Add New Brand

Fill the form details to add a new brand:

- ► **Title**: Title of the brand.
- > **Description**: Description of the brand to be shown on brand product listing page.
- > **Store Views**: Choose store views for which this brand will be displayed.

> **Customer Groups:** Choose customer groups for whom this brand will be displayed.

| New Brand         |                   |                                   | ← Back | Reset | Save and Continue Edit | Save Brand |
