

VIDEO GALLERY

USER GUIDE

Version 1.0.0

Welcome to Video Gallery Extension for Magento 2 developed by Sparsh.

We have provided this guide to understand better use of the extension. We have tried to explain the basic functionality required by every Magento store.

This extension is used to display videos on your storefront. You can use it anywhere like the home page or any other pages. It is a perfect marketing tool for your business that provides Video Gallery to your existing customers.

Every below steps helps to show video gallery on your site.

1. HOW TO ADD NEW VIDEO DETAILS

Go to [Magento 2 Admin] > Login > Video Gallery > Add New Video

General Information

Video Title

Video Upload Method * Please Select ▼

Video Description

Position *

Status * Enabled ▼

Position / Order to display videos on front. E.g. 0, 1, 2 ... It will be displayed in ascending order.

Fill the form details to add a new video:

- **Video Title:** Title of the video.
- **Video Upload Method:** Choose video upload method. Choose “From PC” if it is on your local computer / network. Choose “Youtube” if it is on YouTube.
- **From PC:** Browse the video from your local computer or network. Allowed video type: mp4
- **Youtube Code:** Add code from YouTube link. E.g. 'XXXXXXXXXXXX' from <https://www.youtube.com/watch?v=XXXXXXXXXXXX>

4. HOW TO SET TITLE FOR VIDEO GALLERY

Go to [Magento 2 Admin] > Stores > Settings > Configuration > Sparsh Extensions > Video Gallery

General Settings

Video Gallery Title
[global]
This title will be displayed on the frontend.

Enter title here which you want to be displayed on frontend. Leave blank if you don't need title.

You can set video gallery title as per your requirement from here. This title will be displayed on the frontend.

Title is optional to set. If you want to add gallery on separate page then leave title as blank.

5. HOW TO ADD VIDEO GALLERY WIDGET FOR GIVEN CMS PAGE

Go to [Magento 2 Admin] > Login > Content > Elements > Pages > Add / Edit Page
Open “Content” > Click on “Show / Hide Editor” button > Click on “Insert Widget” button

Show / Hide Editor Insert Widget... Insert Image... Insert Variable...

```
{{widget type="SparshVideoGallery\Block\VideoBlock"}}
```

Click "Insert Widget" from add/edit CMS page for which you want to add the Video Gallery.

Choose Widget Type as “Video Gallery” > Click on “Insert Widget” button

i Inserting a widget does not create a widget instance.

Widget Type * Video Gallery
Sparsh Video Gallery

Choose "Video Gallery" widget type to display on frontend for given CMS page.

6. STORE FRONT VIEW

Clear cache from System > Tools > Cache Management if required.

Showing your video gallery like below on storefront.

Sparsh Video Gallery

The storefront view displays a horizontal row of four video thumbnails. Each thumbnail features a play button, a progress bar, and a 'View More' button. The first and third thumbnails show a landscape with a rabbit, while the second and fourth show a 4k video test sample.

7. VIDEO GALLERY ON SEPARATE CMS PAGE WITH TITLE AND DESCRIPTION

What's New Women Men Gear Training Sale

Home > Video Gallery

Video Gallery

Video Gallery on separate CMS page with title and description.

Consectetur morbi, suscipit donec semper vitae sed a class vivamus. Sodales montes porttitor adipiscing nisi sit dui sem fringilla elit. Sagittis lacinia montes nisi mollis lobortis cras nisi. Conubia montes odio taciti magnis morbi mauris lorem pulvinar mollis aliquam. Faucibus facilisi tempus tincidunt eu laoreet. Porta donec vitae suscipit habitasse fermentum vivamus! Eget est ad potenti primis id rhoncus vestibulum vestibulum. Ante est vel mattis mattis. Vel eleifend auctor lorem, odio proin quisque potenti parturient euismod. Tristique massa quis morbi netus magna pretium laoreet. Inceptos eget massa ac lacinia vitae suspendisse orci nascetur vel torquent. Feugiat eleifend eget aenean facilisi sapien proin leo dictumst semper orci ipsum? Ultrices dui tellus consequat nostra.

The CMS page view shows a navigation menu at the top, a breadcrumb trail, and a title 'Video Gallery'. Below the title is a paragraph of placeholder text. At the bottom, there is a horizontal row of four video thumbnails, each with a 'View More' button.

8. STORE FRONT VIEW OF VIDEO DETAILS

Clicking on “View More” button from above step will take user to detail page where user can find video in full width with title and description set from admin.
